DON'T STOP BELIEVING

MAY 14 2022

ARCHER AUDITORIUM, ASHLAND OHIO

A MESSAGE FROM THE *Director*

Welcome to Eagle Dance Center's Annual Spring Recital! I can't believe another season has come and gone - and my first full season as Director has almost come to an end!

Thank you to each student, family, and staff that made this year possible.

Thank you to each parent/guardian for trusting us at Eagle Dance Center with your child's dance education. Thank you to each student for the countless hours of laughs, memories made, and hard work! Thank you Miss Beth, Miss Olivia, Miss Kennedy, and Miss Claudia for your dedication to EDC and to our students!

Don't Stop Believing - this year's recital theme holds a special place in my heart. I've been able to call EDC "home" since I was 3 years old, and I've dreamt of calling a studio my own since 11. To each of our students - DON'T stop believing! Don't stop following your dreams and working toward them, because dreams really do come true.

Kira Metzger – Senior 2022

It's hard to believe this is your senior year as a dancer. We have enjoyed the many years watching you grow and flourish into the beautiful dancer you are today. We love you and always want the best for you as you venture through life. Lee Ann Womack said it best, "I (we) hope you dance."

Love--Dad, Mom and all of your groupies

Mel Wheeler – Senior 2022

Senior year? It seems impossible that you are about to dance in your last recital. It's been a pleasure watching you grow not only as a dancer, but into the kind, spirited, strong young lady you are. I'm excited for the things that are still to come. Follow your dreams and remember to always be kind. Love, Mom and Dad
